Petition to Accord A Filing Date as of the "DATE-IN"
on the USPO "Express Mail" Mailing Label
(37 C.F.R. 1.10(c))

A petition is hereby promptly filed (37 C.F.R. 1.10(c)(1)) to accord the above-referenced patent application a filing date as of "date-in", May 31, 2001 on the "Express Mail" mailing label (a true copy of the "Express Mail" mailing label showing the "date-in" is appended as Exhibit A) and not June 1, 2001 as indicated on the filing receipt (Exhibit B).

The earlier filing date of May 31, 2001 should be granted in view of the following facts:

1. The application was prepared for filing on May 31, 2001 by Lea McDonald, secretary at the undersigned law firm;
2. The express mail mailing certificate which accompanied the application was dated May 31, 2001;
3. Lea McDonald prepared mail label number EL816799015US for the application.
4. The express mail label number was placed on all papers and fees that constitute the application of U.S. 09/871,885 prior to the original mailing by Express Mail;
5. According to our standard office procedure, an entry was made in the U.S. Patent Office Postcard sent/Received log, which is maintained by the undersigned law firm,

indicating that a postcard accompanying a patent application was mailed May 31, 2001 (Exhibit C), and;

6. Lea McDonald caused the application to be hand carried to the U.S. Post Office (Fort Point Post Office) located at the South Station Annex, Boston, MA on May 31, 2001, and submitted for mailing via Express Mail on that date, to the Box Patent Application, Commissioner for Patents, Washington, D.C. 20231, as is hand written in the "date in" section of the mailing label by the Post Office (Exhibit A) and stamped on the label.

In support of these facts, a declaration signed by Lea McDonald is herewith submitted.

While it is believed that no fee is due, the Assistant Commissioner is hereby authorized to charge any fees in reference to this petition to Deposit Account No. 20-0531.
